

QUANTUM HELMET COMPLETE**PRODUCT CODE: EP263**

Conforms to: EEN175 B & ANSI Z87

Sizes available: One Size.

Available in Black.

SPECIFICATION

- The Quantum helmet benefits the areas of welding preparation and improves grinding functionality.
- It does this by allowing a flip mechanism, which houses a ADF filter, to be lifted exposing a larger
- viewing/grinding visor window.
- This allows the welder to remain fully protected with
- having to lift the entire helmet shell up exposing the face.
- This helmet is also available with a PAPR and hard hat system.

Features & Benefits

- High impact shell design. EN175 B & ANSI Z87+impact test.
- True colour ADF technology.
- Side windows (shade 5) enhancing surrounding vision.
- Ergonomic multiple adjustable headgear, with rear.
- Pivot pad and upright lock position 107x75mm view 1/1/1/1 – 5-13 ADF.
- Best optical class. Clear interface design.
- x 3 mode options: Grind, Cutting and Weld.
- Easy operation – Soft touch select buttons for function / mode adjustment.
